Portfolio Review Checklist

Student: _____ School Year: _____ Review Date: _____

What's typically included in a homeschool portfolio review. Exact requirements are state-specific, check your evaluator or state page before your review.

- [ ] A log of instructional days and subjects covered throughout the year
- [ ] Samples of completed work across core subjects, a representative selection, not everything
- [ ] A reading list or log of books completed
- [ ] Any standardized test results, if your state also requires testing
- [ ] A brief written summary of the curriculum or approach used

Evaluator notes:
