

Portfolio Review Checklist

Student: _____ School Year: _____ Review Date: _____

What's typically included in a homeschool portfolio review. Exact requirements are state-specific — check your evaluator or state page before your review.

- ☐ A log of instructional days and subjects covered throughout the year
- ☐ Samples of completed work across core subjects — a representative selection, not everything
- ☐ A reading list or log of books completed
- ☐ Any standardized test results, if your state also requires testing
- ☐ A brief written summary of the curriculum or approach used
